

K-Love radio station is very important to me and my family. It is one of the few radio stations we listen to. We enjoy the music and the message. It is very family friendly. My 16 year old listens to the station every day on her way to school. K-Love is a very positive influence on our community, sharing very positive and practical ethical and moral standards for life. It gives hope in a difficult world, especially to young people and families. Please do not allow the proposed changes of LPFM to interrupt our K-Love signal. This radio station is one of the few that gives my teenagers wholesome values with music they enjoy.

Sincerely, Lucinda Van Vleet
